How we protect your personal data

We have implemented generally accepted standards of technology and operational security to protect personal data from loss, misuse, or unauthorised alteration or destruction.

We use third-party data processors to process personal data on our behalf. Such service providers support Weightlifting Ireland especially relating to hosting and operating the website, membership databases, operations management and payment. These processors may be located inside or outside the European Union and we will ensure that adequate safeguards are in place to ensure the privacy and security of your data.

Please note however that where you are transmitting information to us over the internet this can never be guaranteed to be 100% secure. For any payments which we take from you online we will use a recognised online secure payment system. We will notify you promptly in the event of any breach of your personal data which might expose you to serious risk.
