

WEIGHTLIFTING IRELAND

2022 Events Calendar

International Competitions:

Athletes wishing to be considered for international selection will require the minimum qualification standards. Please see all documentation on our NEW Performance & Development page on our website.

An "Application of Interest" must be submitted no later than 14 weeks before an international competition to ensure that WI are made aware of your intention to qualify so that we can help guide you through the process of becoming eligible for international competition. Athletes wishing to be considered for international selection will need to meet the minimum qualification criteria outlined on our website & be a member of Weightlifting Ireland at the time of their application.

Weightlifting Ireland's board reserves the right to make amendments to the minimum standards and selection process if it is deemed to be in the best interest of the sport. The final decision on selection for all international squads and team members is by the board.
